Subject: Thank You and Merry Christmas!

Dear Steve and all at Guildford Rotary

We hope you are well and looking forward to the festive period!

We just wanted to say a HUGE Team Orange thank you - with your support in 2025 we have supported hundreds of families and thousands of hours of fun, play and laughter! To be exact, from April-November this year, that has been around 50,733 hours at our Pre-School, Play, Youth and 555 Services! Our Hub has also supported 454 families of disabled young people throughout the same time period, helping them feel less isolated, and more equipped with information, support and advice.

We wanted to share a quote from one of our Challengers' parents to end the year on a positive note, and to share the impact of your support.

★ **“My daughter LOVES Challengers. It is her safe space, her access to a community and friendships she would not access without this service. She can be herself and learn about the world in a safe environment, and now remains the only other place in the world (other than home) she wants to be. This is huge for her and it is emotional for me (Mummy) to see her confidence grow and her thrive at Challengers.” – Challengers Parent** ★

We hope you have a very Merry Christmas, Happy Holidays and wonderful New Year! We look forward to catching up in January 😊

Best wishes,

Becky and all at Challengers
